

Anaïs Fopma

Student Methodology and Statistics

Education

09/2020 – present	M.Sc. Methodology and Statistics for the Behavioural, Biomedical and Social Sciences, Utrecht University
09/2017 – 08/2020	B.Sc. Educational Sciences, Utrecht University
09/2011 – 06/2017	Murmellius Gymnasium, Alkmaar

Relevant Work

Experience

04/2021 – present	Department of Biostatistics UMC Utrecht This department is part of the Julius Centre and offers statistics courses for bachelor and master students of the faculties of Medicine, Veterinary Medicine, Biology and Pharmaceutical Sciences. I assist in the seminars that are part of these courses and develop teaching and learning materials.
06/2020 – present	TNO After my internship, I have continued to work here on a freelance basis. I assist in data collection, analysis, and preparation of articles for publication in several research projects.

Other Experience

02/2020 – 05/2020	Research Internship TNO As an intern I worked at the department of Child Health at TNO Leiden, carrying out social research tasks such as literature research, transcription, survey design, and data analysis.
02/2020 – 04/2020	UGlobe Consultancy 2020 In this project I worked within an interdisciplinary team on a consultancy assignment concerning the decolonisation of higher education.
05/2019 – 07/2020	Volunteer Taal Doet Meer Working as a language tutor, I helped an immigrant pupil master the Dutch language through assistance in schoolwork and extracurricular activities.
09/2018 – 06/2020	Honours Programme Social Sciences This programme offered elements of extra challenge in the form of activities, lectures, and projects, alongside the regular B.Sc. programme. Within the programme, I have been active as a member of the editors' committee.
